Importance: High

Dear Hendrik,

Thank you for your swift reply.

Unfortunately not. From the order is placed with us, it takes Dell 3 weeks to manufacture the laptops and desktops. This production time is unfortunately not something we can affect, however we do see from time to time that the production time is reduced and the goods arrive earlier than estimated.

Very best regards,

Kenneth Christensen

LATITUDE 7000 SERIES LAPTOPS 7280 | 7480

Where work happens. Premium business-class Ultrabook™ delivering elite mobile productivity

Experience optimum productivity and mobility in a device that is smaller than its predecessor and designed to saturate its user with an ultimate viewing and touch interface with optional slimmer bezels. Weighing in at less than a half gallon of milk the materials used include an alloy chassis, soft touch paint and optional woven carbon fiber artfully combined to achieve durability and beauty.

New system access and connectivity features that improve your productivity throughout the workday. Including Windows Hello via an optional infrared camera which facilitates logon using facial recognition. And docking, which is now a breeze with multiple options including DisplayPort™ over USB Type C and Dell Wireless dock.

Relax knowing that this series of laptops is the world's most secure featuring optional multi-factor authentication including touch finger print reader, contacted FIPS 201 Smart Card Reader, contactless smart card reader/NFC with Control Vault 2™ FIPS 140-2 Level 3 certification.

Re: Note to the File to justify purchasing the ICT equipment from Schoemans Technologies

This Note-to-File is to justify purchasing the ICT equipment listed in the Quotation from Schoemans Technologies (Date: 12 May 2017, Quotation #: SHQ20444-2). Schoemans Technologies is not a company signed a Long Term Agreements (LTA) with UNDP; however, the company offered the shorter delivery timeline compared to Danoffice IT ApS (Denmark) (Global LTA contract ref: #GP500147-3). Due to the urgent need to procure the ICT equipment for “Support to MOHSS for accelerated implementation of GFATM” project, Schoemans Technologies is selected as the successful vendor.

This Note-to-File was Prepared and Submitted by:

Signature	
Name	Chikako Miwa
Designation	Programme Analyst M&E
Date Signed	17 May 2017

The justification on this Note to File is sufficient and the acceptance of job application is hereby approved by:

Signature	
Name	Megan Van Turah
Designation	Operations Manager
Date Signed	17 May 2017

Subject: RE: Request for Quotation (RFQ).GLOBAL FUND COMPUTER ITEMS. 10 May 2017 - Danoffice quotation 190832

Importance: High

Dear Hendrik,

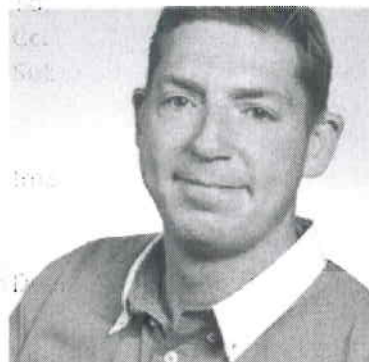

Thank you for your swift reply.

Unfortunately not. From the order is placed with us, it takes Dell 3 weeks to manufacture the laptops and desktops. This production time is unfortunately not something we can affect, however we do see from time to time that the production time is reduced and the goods arrive earlier than estimated.

Very best regards,

Kenneth Christensen

Re: Note to the File to justify purchasing the ICT equipment from Schoemans Technologies

This Note-to-File is to justify purchasing the ICT equipment listed in the Quotation from Schoemans Technologies (Date: 12 May 2017, Quotation #: SHQ20444-2). Schoemans Technologies is not a company signed a Long Term Agreements (LTA) with UNDP; however, the company offered the shorter delivery timeline compared to Danoffice IT ApS (Denmark) (Global LTA contract ref: #GP500147-3). Due to the urgent need to procure the ICT equipment for "Support to MOHSS for accelerated implementation of GFATM" project, Schoemans Technologies is selected as the successful vendor.

This Note-to-File was Prepared and Submitted by:

Signature	
Name	Chikako Miwa
Designation	Programme Analyst M&E
Date Signed	17 May 2017

The justification on this Note to File is sufficient and the acceptance of job application is hereby approved by:

Signature

Importance: High

Dear Hendrik

I hope you are well.

All items quoted is stock in JHB (some very limited, I have them on reserve for you, until Tuesday next week). No precisions available, quoted on the Dell XPS desktop, closes to spec to the Precision.

There is only 18x E7270's in JHB and only 9x XPS desktops and very limited of the Dell screens.

Please note, should installation be required, we can assist, estimate at hour per PC, depending on what is needed.

I hope you have a wonderful day.

Susan Harmse

Mobile: 00264 812316104

Due to current ROE pressure, pricing needs to be confirmed before placing an order
The new CRAN Regulation might cause unforeseen delays at the Namibian Border and is not factored into any ETA supplied
