

**SIGNATURE PAGE**

**Country: Nigeria**

**PROJECT SUMMARY**

**Project Title:** Democratic Governance for Development (Phase II – 2012-2015)

**UNDAF Outcome:**

Improvements in the three main pillars of accountable governance (i.e. elections, justice and anti-corruption) in accordance with the rule of law and in response to public demand achieved.

**CPAP Expected Outcome:**

**Outcome 1:** To build national election management bodies' (INEC, SIEC) capacity and promote sustainable electoral processes, improve public awareness and confidence, and boost civic responsibilities.

**Outcome 2:** To deepen democracy in Nigeria, and this aims to develop the capacity of National (federal and state) institutions, networks and processes (both government and private) to contribute to the further entrenchment of democratic governance.

**Expected Outputs:** Key democratic institutions and processes supported to contribute to deepening democracy and fostering credible elections

**Implementing Partner:** United Nations Development Programme

**Responsible Parties:** INEC and SIECs, National Assembly, Political Parties, Civil Society, and Media

**Collaborating parties:** Members of the Joint Donor Basket Fund (EU, DFID, CIDA, and UNDP)
