RE: COMPLETION LETTER
FOR AGREEMENT NGA-09/001 "PUBLIC PROCUREMENT IN THE NIGER DELTA"

This has reference to our latest e-mail correspondence regarding the agreement mentioned above.

We thank UNDP for resending the cover letter to the Evaluation report from 2012, which we could not find in our records. The Evaluation report is approved by the embassy and, along with the cover letter, considered to constitute the final progress report under that agreement.

By doing this, we consider the above agreement to be completed and closed.

We thank UNDP for fruitful collaboration in the past. As we are all aware, the work in the Niger Delta continues under our support to your Country Programme, which is covered by another, more recent agreement.

Yours sincerely,

Rolf Ree
Ambassador
