

06 December 2022

Dear Director Tuason,

Subject: Physical verification of tablets

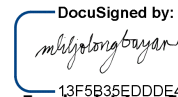

I am pleased to inform you that UNDP is now commencing the transfer of ownership to DICT the equipment procured and distributed under the DICT-UNDP Free Wi-Fi for All Project, now entitled "Connectivity, Capability, and Resiliency through Free Wi-Fi for All (CoRe FW4A; Project ID 113425/Output ID 111581)". Under Output 3a, on the request of DICT, the project procured a total of 4,000 tablets last February and March 2022 and distributed these to the Central Office and 17 Regional Offices, to accelerate the transmission of vaccination-related data of local healthcare facilities.

The Project distributed 83 units of tablets with keyboard and casing to the Central Office, which was received by Mr. Darrel Cedron on 21 February 2022 and Engr Sultan Nacasi on 31 May 2022. As part of the transfer of ownership process, the CoRe FW4A Project Team will conduct a physical asset verification at the DICT Central Office on 7 December 2022. We would like to request a DICT representative, preferably your asset management focal, to be present during the activity.

For any clarifications, please contact Ms. Sunshine de Guzman, CoRe FW4A Finance Assistant, at mobile number 09176338737 or email [sunshine.nadine.de.guzman@undp.org](mailto:sunshine.nadine.de.guzman@undp.org).

Thank you and we look forward to your positive response and continuing support. Best regards.

Yours sincerely,

DocuSigned by:
