

Project Description and Budget

1. Project Description

1.1. The objective of the Project is to contribute to the creation of sustainable social development and macro-economic stability in the Sudan through the reintegration of approximately 17,000 demobilized ex-combatants, including Women Associated with the Armed Forces (WAAF).

1.2. The expected outcomes and activities financed by this Grant (Activities) are as follows:

1.2.1. *Reintegration.* Support to the socio-economic reintegration of ex-combatants and WAAF through provision of an economic integration package consisting of goods, works, training and technical advisory services.

1.2.2. *Special Needs Groups.* Support to special needs groups as defined in the GoNU/GoSS/UNDP Project Document, and in particular: (i) for the social and economic reintegration of female ex-combatants and WAAF by: ensuring that their special needs are taken into consideration; equal benefits are granted; strengthening gender awareness and monitoring the impact of the Project, all through the provision of technical advisory services; and (ii) for economic assistance of elderly, disabled and chronically ill ex-combatants through the provision of works, goods, technical advisory services and training.

1.2.3. *Capacity Building.* Strengthen the capacity of national and southern disarmament, demobilization and reintegration (DDR) commissions to implement nationally owned DDR programme.

1.2.4. *Public Information.* Increase public awareness of the DDR process and procedures amongst the main stakeholders and beneficiaries and strengthen partnership among the key actors.

1.2.5. *Management Support.* Provide technical, operational and management support to Project staff and state as well as regional offices of national and southern DDR commissions.
