Second No-Cost Extension

27 April 2017

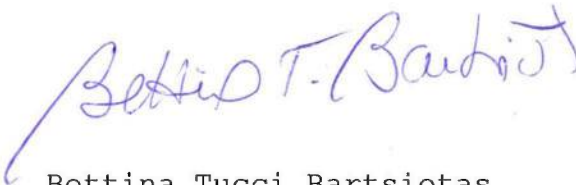

Dear Ms. Flore,

Reference is made to your request of 11 February 2017 for a 12-month ex-post facto no-cost extension of the end date from 31 December 2016 to 31 December 2017 for the programme entitled "*Empowering and Rebuilding Communities with Multi-Sectoral Initiatives in Post-Conflict Chad for a sustainable change*".

I am pleased to inform you that the second no-cost extension of this programme has been approved as per the Guidelines of the UNTFHS. On account of the no-cost extension, subsequent substantive and financial reports should be submitted as per the schedule in the financial agreement and the final substantive report comprising the entire life-span of the programme (from 2014-2017) should be submitted no later than 30 June 2018.

Please confirm that UNDP, as the lead agency, and on behalf of the other implementing partners; UNFPA and UNICEF, acknowledges the changes to the agreement. Upon receipt of your confirmation to this effect, I will consider all the agreements to have been amended accordingly.

Yours sincerely,

Bettina Tucci Bartsiotas
Assistant Secretary-General, Controller
