Approval of the first Interim Annual Report**

Your ref.: Your letter dated 15 October 2010 (Our Ref.: Ares(2010)734313).

Dear Ms Sahakyan,

The first Interim Report for the second instalment of the above mentioned action is of appropriate quality and I am pleased to accept it.

I take this opportunity to draw your attention on the two following points concerning project implementation:

- The need to take fully on board and follow up the recommendations of the EU monitoring mission held during 5-11 September 2010;
- The need to achieve, as soon as possible, tangible results under Activity 4 "Improved access of the country's population to human rights information".

Yours sincerely,

Mario RONCONI
Head of Sector
(on behalf of William HANNA
