	<p>Approve the revised project targets.</p> <p>There is some mismatch between the the original target and actual number of students in the region; hence the need for revision of the targets.</p> <p>Project asset transfer as per list (See Annex 2)</p>	
<p>Agenda 5: Discussion, Questions and Answers, Key decisions</p>	<p>Ms. Abelina Da Costa stated that there is no objection to extend the project period by one month, and extend two project staff's contract for the same period. She also agreed to the revised targets as proposed by the project.</p> <p>Ms. Lazima Onta-Bhatta explained about two kinds of project closures in UNDP projects: operation closure and financial closure. The project will be operationally closed after one month's extension is over but the project will have to be financially closed within a year after the project is operationally closed. She asked the project to revise the annual work plan to include one month extension of staff's contract and procurement of IT equipment. She stressed that UNDP will do the process to transfer all assets while government should register all assets in their register system.</p> <p>The Project Board approved the following:</p> <ol style="list-style-type: none"> 1. The board agreed to to extend the project for one month for completing a few project activities 2. The board approved the extension of the two project staff (Mohammad Monirul Islam – Project coordinator and Enio Junior- ICT education Specialist) contract for one month (June 2021). 3. The board approved the revised project targets as presented by the project 4. Asked the project to revise the annual work plan to adjust the board decisions 5. Approved the transfer of assets as per the attached list (see Annex 2). 	<p>Ms. Abelina da Costa</p> <p>Ms. Lazima Onta-Bhatta</p> <p>Mr. Rui Da Silva Pinto</p>
<p>Agenda 6: Closing Remarks of the Co-chairs.</p>	<p>Ms. Lazima Onta-Bhatta thanked H.E. the President of Authority of RAEOA government and government staff for their support and cooperation to implement the project in Oe-cusse. She stated that the project has created a good environment and is an example of what can be achieved in a short period of time.</p> <p>She acknowledged the Government of India for generously funding the project and the South-South Cooperation Office for facilitating the Project. She thanked UNICEF for their partnership and cooperation in this project and appreciated the project team for its commitment and contribution.</p> <p>Ms. Abelina Da Costa thanked UNDP for its fruitful partnership. Thanks to the Project, the government can now store data of students and teachers properly in the database system. While it may seem a small contribution, it is very important having longterm impact to monitor school activities, hence improve quality of education.</p>	<p>Ms. Lazima Onta-Bhatta</p> <p>Ms. Abelina da Costa</p>

AGENDA

Project Management Board Meeting 2021

Project Title: "Leveraging ICT to Improve Education and Skills in Timor-Leste"
(India-UN Development Partnership Fund)

Date: 31 May 2020
Time: 14.30 – 16.00 h
Venue: SRESS meeting room

This project aims to improve primary and secondary education by providing children and young people in Oé-Cusse with information and communications technologies (ICT) skills and knowledge with the aim of preparing them to better address the challenges and opportunities of the local economy.

Outcome: People of Timor-Leste, especially the most disadvantaged groups, benefit from inclusive and responsive quality health, education and other social services, and are more resilient to disasters and the impacts of climate change.

Revised Project's Output Targets

The number of total students updated based on 2021 data; in 2019 (at the project starting time), the number of students was lower than this; the realistic target has been revised based on the actual number of students and available resources by the consultation with donor organization.
