**Revision Type:** Extension of Project Duration

**Brief Description:**

The Program aims to contribute to the establishment of a governance model for regional development at the regional level through a holistic and sustainable approach, including i) conduct of gap analysis on governance of regional development for selected DAs; ii) development of Guideline for Participation; iii) design and conduct of training seminars on methods of partnership/participation; iv) development of a framework for action for the scale up of the participatory processes at regional level. Due to the delays in the project signature process, the project activities started in December 2011 with the gap analysis on governance of regional development.

The revision at hand is for the extension of the project duration from for 6 months. The Project will be completed in 31 December 2012.
