18th February 2021

Subject: Environment Social Impact Assessment (ESIA) PUBLIC NOTICE

The public is hereby notified that the Environmental and Social Impact Assessments (ESIA) for the TCAP Funafuti Land Reclamation works, and the Nanumea & Nanumaga berm top barrier works are now complete and are readily available from the office of the Department of Environment and the office of the Tuvalu Coastal Adaptation Project (TCAP). The reports can also be accessed from the TCAP website (www.tcap.tv).

The public is hereby advised that these documents are open for public scrutiny for a period of one month commencing from today 19 February 2021 until 18 March 2021. All public comments, queries and concerns should be addressed to the Director of Environment, and to reach her no later than Thursday 18th March at 4pm, either via email (Tilia Tima <tilia.tima@gmail.com>, Reuben Kausea <pelekausea@gmail.com>).

Fakafetai Lasi,

Ms. Tilia Tima
Director of Environment (Ag)
Department of Environment.
Ministry of Public Works, Infrastructure, Environment, Labour, Meteorology and Disaster.
