Incoterms

Batch 1: CIF

Under CIF terms, the buyer is responsible for customs clearance at destination.

Payment Terms

30 Days net against Invoice

Batch 1: Warranty Service - Tanzania:24 Months or 50000 Kms (whichever comes first)

Full Toyota warranty and after-sales service is included in the price of the vehicles supplied by Toyota Gibraltar Stockholdings Ltd (TGS). Please note that unauthorised traders cannot offer Toyota approved in-country warranty and after-sales service. A free pre-delivery inspection (PDI) and the issue of the Toyota Warranty Booklet will be carried out by the local Toyota Distributor. The Distributor will also carry out a 1000 Km service check, free of charge except for lubricants, fluids or filters used, and will arrange the application of warranty if necessary. Please note that non-Toyota equipment fitted as a TGS option is not endorsed by Toyota and consequently shall not benefit from the Toyota warranty and warranty service. This non-Toyota equipment will be separately warranted by TGS who will match the conditions of the warranty of the original manufacturer. It is important that the Pre-Delivery Inspection is carried out by the Toyota Distributor before the vehicle is put into operational use.

Batch 1 - The Main Official Toyota Distributor is located in Dar Es Salaam

Please note that although all arrangements to carry out the PDI and warranty validation have to be handled through the main distributor, the actual inspection and validation may be carried out in one of the official dealerships located in an area closer to you.

Official Toyota dealerships are also located in the following cities: Arusha, Tanga, Musoma, Moshi, Bukoba, Mwanza, Shinyanga, Nzega, Kigoma, Tabora, Dodoma, Morogoro, Iringa, Mbeya, Songea, Mtwara, Zanzibar

Validity

Japanese Yen Prices quoted are valid for 30 days. Any other currencies shown are for information purposes only. Please note that the freight price is only valid for the number of vehicles quoted. Any changes in quantities will require a revised quotation.

Important Notes / Miscellaneous

Estimated lead time for a vehicle re-spray/colour change is approximately four (4) weeks and will be confirmed upon order placement.

We hope that our quotation is of interest and look forward to hearing from you. Should you have any queries or require more information, please do not hesitate to contact us quoting our reference.

RE: PROCUREMENT OF THREE VEHICLES TO SUPPORT LAW ENFORCEMENT OPERATIONS IN SPANEST PROJECT AREAS USING UNDP TRACK FUNDS

Refer to the above heading.

SPANEST project would like to request for the procurement of three vehicles- pick up to be used to support law enforcement operations in Ruaha National Park -2vehicles and Kitulo National Park - 1 vehicle using UNDP Track funds.

The availability of the vehicles will strengthen the current efforts to combat the escalating elephant poaching crisis within the Greater Ruaha and Greater Kitulo Kipengere Landscapes which are the focal areas for SPANEST Project.

Detailed specifications for required vehicles are attached with this letter.

Looking forward for your positive consideration

Dear Fina,

The two Toyota Land Cruisers with air-bags will be OK plus the one without air-bag. Otherwise it doesn't matter if all will be the ones without the airbags so long they are Toyota Land Cruiser Pick Ups.

To make more clear, find attached image of the type of the vehicle we expect, i.e Toyota Land Cruiser Pick Up and not Toyota Land Cruiser Hard Top as shown on the link attached to your email).

Dear Fina,

The current quote is for three (3) non-airbag models which we currently have in stock.

There are only two (2) models with airbags in stock at the moment and the 3rd unit will be available as from December.

We could either leave the quotation as is for x3 non-airbag models or revise this to x2 airbag and x1 non-airbag model.
