### **Justification for Substantive Project Revision IV**

CADESE is a nationally implemented project. One of its key objectives is to accelerate achievement of the Sustainable Energy for All (SE4A) initiative through a wider adoption of Renewable Energy Technologies (RETs). The Implementing Partner (IP) is the Ministry of Energy and Minerals (MEM). Responsible Partners (RPs) include: Rural Energy Agency (REA), Uongozi Institute (UI), Attorney General's Chambers (AGC), Tanzania Electric Supply Company Limited (TANESCO) and Economic and Social Research Foundation (ESRF).

The project's fourth revision seeks to extend the project to 31<sup>st</sup> December 2017 to allow the current and outstanding activities to be completed – including project terminal evaluation, procurement support and micro-capital grant final monitoring visit.
