**Period covered in this report:** 1 July – 31 December 2011

**Date of last QPR:** 4 August 2011

**Date of the last Project Board meeting:** -

### Project Performance

**1. Please list the annual targets for the reporting year as set out in the project document and/or AWP:**

1. At least 10 Monitoring Field Visits conducted to improve project management and progress reporting in ATLAS;
2. At least 3 new partnerships established;
3. At least 2 visibility events for national and international partners carried out;
4. At least 2 government agencies benefit from capacity development activities run by UNDP;
5. At least 2 policy papers drafted;

*Please specify below what has been the progress towards the above indicated targets during the reporting period:*

1. A series of monitoring field visits undertaken for the following 14 development projects related to Enhancing the Capacity of MFA, Area-Based Development and Enhancement of Living Standards programmes (two visits), National Protected Areas, Disaster Risk Management, Radioactive Waste Management in Fergana region, Climate Risk Management, Rio Convention, LRF, LED, Tugai, SLM, IWRM, and SAIGA. In addition to regular inventory checks and field visits, it was decided to systematize joint monitoring visits with involvement of national partners at high/technical level in 2012 in order to raise better awareness of project activities and enhance national ownership.
2. UNDP has become a Principal Recipient of the GFATM-round 8 that secured funding of USD 22m. Other significant partnerships include approved funding from UN Human Security Trust Fund for the Joint Programme with UNESCO, WHO, UNODC and Ministry of Economy, which will be launched early 2012. UNDP is currently at the stage of formulating its next-stage partnership framework with the Office of the President on support to the Center for Economic Research to further promote evidence-based policy making in Uzbekistan with annual Government cost-sharing contribution in amount of ~\$450,000 Contribution of \$40,000 was received from UNICEF to support Local Governance Support Project initiatives. Regional programmes have been also established, such as BOMCA-8, Aid for Trade, and Climate Risk Management. Strategic partnership was established with the following international partner present in the country: TIKA - capacity development of national partners and private sector representatives on budget system reform as well as public-private partnership models (\$22,000 parallel funding of study-tours); GIZ - provision of expertise for courses on econometric, statistical modelling and organization of the course on microfinance benefiting 25

representatives of local microfinance institutions and banks (\$11,800 parallel funding). Detailed course description available [here](#).

3. UNDP Uzbekistan and UNDP-Procurement Support Office (PSO) hosted the Regional: Eastern Europe, Latin America and Central Asia Workshop on Procurement and Supply Chain Management (PSM) and Programme Management issues for projects financed by the Global Fund during 12-16 September 2011 with 76 participants from various country offices globally to stimulate experience sharing; During UN Day celebration there was an exhibition containing UN Agency information stalls, presentations, workshops, documentaries, etc. targeting general public and local media. MUNDP was presenting its visibility materials on all ongoing interventions in the country, including regional programmes.
4. Based on the Government request, UNDP is also providing considerable support to national preparations for the UN Conference for Sustainable Development (UNCSD – Rio+20). With the technical assistance from UNDP, a joint workshop was organized with the Government UNDP BRC, UNDESA and the UNCSD Secretariat for 80 representatives from national institutions including central ministries, committees and Oliy Majlis (Parliament).

Following Government request, UNDP supported participation of two Government Officials (Cabinet of Ministers and Ministry of Foreign Affairs) in the 23rd Meeting of the Parties to the Montreal Protocol on Substances that Deplete the Ozone Layer (MOP 23) and ninth Meeting of the Conference of the Parties to the Vienna Convention for the Protection of the Ozone Layer (COP 9) during 21-25 November 2011 in Bali, Indonesia. Furthermore, CPAP project also supported participation of a Government Representative in High-level Meeting on South-South and Triangular Cooperation 2011 organized in Rome, Italy.

5. In line with UNDP support to national preparations for Rio+20 Summit, a National Report is also being developed (November 2011-June 2012) as input from Uzbekistan for the draft outcome document - Regional Rio+20 Report.

In 2011 UNDP also supported preparation of a number of Policy Briefs as follows:

- a) Policy Brief on women's entrepreneurship with the aim of reviewing opportunities for women and identifying any possible gender barriers in this sector. Draft of the policy brief is prepared and subject for finalization and distribution in the first half of 2012;
- b) Policy Brief on Road construction: current situation and perspectives of private sector engagement;
- c) Policy Brief on problems and perspectives of employment of persons with disabilities in Uzbekistan;
