Letter No.: 100/22

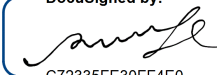

Dear Ms. Garaebiti

**RE: Notification of Project Closure – Low Emission Capacity Building Phase II  
(VAN LECBII) Project**

UNDP wishes to advise that the above-mentioned project is now officially closed. The project had reached Operational Closure in June 2022 followed by a Financial Closure to be in December 2022. We kindly request that the notification of the closures is communicated to the Project Steering Committee and Project Board Members accordingly.

It has been a great pleasure working with you and your ministry in the successful implementation of LECB2 project.

Yours sincerely,
